Chris Luzar, TE - Virginia

Positives: Well-built athlete with the frame for further development...Has exceptional quickness off the snap and the power to get through the jam to create space with his line release...Has a knack for finding the soft spot in the zone and is more comfortable with the underneath routes than going deep.

Luzar by the numbers

- | **Ht:** 6'3"
- | **Wt:** 222
- | **40-time:** 4.76
- | **Vertical jump:** 32.5"

Negatives: For all of his quickness, he just seems to float in and out of his routes, negating whatever separation he gets off the line as the defender recovers ... Has problems escaping the defender on deeper routes ... Does not display an explosive upfield burst.

CAREER NOTES: Specializes in wood sculptures made with a chain saw...Holds a very strange school record - most catches and yards gained without scoring a touchdown (53 for 598), seeing action in 43 games.

PERSONAL: Graduated in May, 2001 with an undergraduate degree in Studio Art...Brother, Kase, is a teammate and tight end at Virginia...Son of Nancy and Rex Luzar...Father played football at William & Mary... Born Christopher Myers Luzar on 2/12/79 in Newport News, Virginia.
