Grading System

MATT SCHAUB

Position: QB
Class: Sr
School: Virginia
Conference: ACC
Ht., Wt.: 6'5½, 243
40 Time: 5.02
Grade: 3.42

Selected by Atlanta Falcons
Round 3, pick 27 (90 overall)

BIO: Posted passing numbers of 69.7 percent/2,952/18/10 as a senior with an efficiency rating of 141.03, even though he suffered an injury to his passi g shoulder during the first game of the season. ACC Offensive Player of the Year as a junior after starting 14 games and throwing for 68.9 percent/2,976/28/7. Started six games under center as a sophomore and compiled 58.3 percent/1,524/10/8.

POSITIVES: Competitive signal-caller best in the short or intermediate passing game. Quickly sets up on the pocket, patient and buys time. Good field aw ess, knows where his receivers are on the field and takes a hit in order to get the pass off. Zips the ball into the seam, accurate on the crossing patterns and puts touch on throws when necess ry.

NEGATIVES: Cannot escape the rush or make throws on the move. Lacks the pinpoint pass placement and loses accuracy the further out to the fl e is asked to throw the ball. Lacks a big league arm and not accurate with the deep pass.

ANALYSIS: An efficient signal-caller that plays within himself, Schaub has a nice fe for the position and makes good decisions in the pocket. Has l mitations but should fit in nicely as a third-stringer.

PROJECTION: Late Fifth Round
